Fall 2013 Hot

"Your face is the best focal point for your fashion."

THE HOT SEVEN:

Practice a ten minute routine for hair and makeup. Keep only

the supplies you use in view.

Audit your closet. Be brutal. Then, build it back up into the

happy place you want it to be with fresh paint, good lighting,

Use fashion colors like

makeup. Choose tops in your best colors, wear a scarf, or

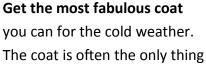

adopt a fleet of cardigans.

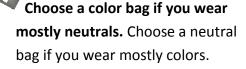

Keep a sharp jacket and pair of stylish shoes by the back door

for transitional seasons.

Shop in your closet with each new season, but rid yourself of clothes you don't wear. Remember, **less is more.**
